# WELCOME

Dear families,

Welcome to Westborough Community Education's Summer Programs! Each summer, over 400 campers participate in our Summer Day Camp, Teen Leadership, and Summer Enrichment programs. Conveniently located at Westborough High School, our summer programs offer a variety of exciting program options for children entering Kindergarten through 10th Grade.

Whether you are looking to nurture your child's passion for STEM, performing arts, or sports, grow your teen's leadership skills, or encourage your child to try new things, we have a program that will keep your child engaged, learning something new, and having fun all summer long!

We look forward to sharing amazing new adventures with you and your children this summer! If you have any questions, please do not hesitate to reach out to our office! Give us a call at 508-836-7765 or send us an email at [WCEP@westboroughhk12.org](mailto:WCEP@westboroughhk12.org).

Sincerely,  
Westborough Community Education Summer Staff

## Summer Day Camp

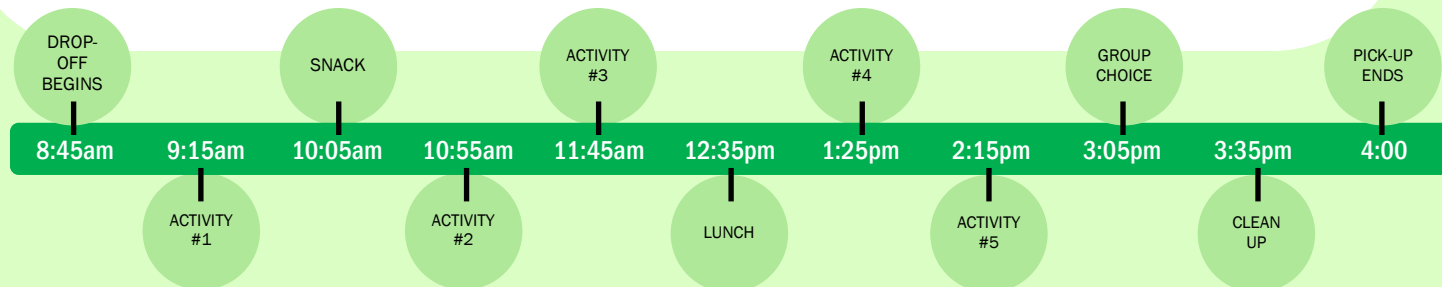

### Entering Kindergarten to 6th Grade

Each day at the Summer Day Camp, our campers and staff will play, laugh, learn, and create a memorable summer! Camper's weekly schedule involves a variety of age-appropriate activities including group games, sports, arts and crafts, science experiments, team building challenges, and more opportunities to try new activities and discover new interests.

Summer Day Camp highlights include theme days, water play days, special guests and events, all camp activities, and field trips!

Under the guidance of our experienced staff, campers will build social skills and self-confidence, foster relationships with their peers, learn the importance of teamwork and cooperation, and gain their own independence.

Campers are divided into units / groups by grade. The **BENNY Unit** welcomes our Kindergarten (must be 5 years old) through second grade campers to camp. Campers are introduced to enriching camp activities in a fun and safe environment. The **ALSO Unit** is designed for our older campers in third through sixth grade. Activities are designed to expand campers' experience through adventure-based, mind-stimulating activities. Also Unit campers will go on an exciting field trip on Fridays. Please see a sample schedule below:

## CIT Program

### Entering 7th to 10th Grade

The Counselor-in-Training (CIT) Program is the first step in the Teen Leadership Program and is designed to give hands-on training to teens who are looking to be future summer camp counselors. CITs will participate in activities designed to expand their leadership skills through teambuilding challenges, camp basics workshops, group assignments, all camp activities, and more. Teens in this program will experience life as a summer camp counselor and develop skills in problem solving, communication, positive role modeling, and more. Completion of the CIT Program does not guarantee future employment. *The CIT program is broken up into two, one-week sections, "A" and "B". Both sections must be completed before being awarded a Certificate. Sections can be taken in any order. Those individuals who have completed both Sections "A" & "B" of the CIT Program may register for the Jr. Staff Program. Max Enrollment: 12 participants/week*

## Jr. Staff Program

### Entering 7th to 10th Grade

Designed to be the next step in the Teen Leadership Program, the Jr. Staff Program enhances the hands-on training for teens who are looking to be future camp counselors. Jr. Staff will spend the majority of their day assigned to one camp group, with the purpose of supporting our summer camp staff. Jr. Staff will also be involved in mentoring CITs, planning and running group activities, and more. Jr. Staff will be subject to evaluations during the camp season in order to gain valuable feedback and guidance to grow their leadership skills. Participants must have completed the CIT Program and be recommended for the program by the Teen Leadership Coordinator. Completion of the Jr. Staff Program does not guarantee future employment. *Jr. Staff registrants may sign up for any amount of weeks. Max Enrollment: 12 participants/week*

# SUMMER STAFF

Our dedicated staff team is what makes our Summer Day Camp an exciting place for our campers. Our experienced staff are current and former EDP staff, high school students, and college/post college students. Many of our staff come back to work at our summer camp year after year. Staff are assigned to each group and maintain the required staff-to-child ratios in their assigned groups.

Before the summer begins, our staff:

- Undergo a comprehensive interview process as well as reference and background checks.
- Attend a mandatory staff training covering topics including behavior management, supervision, staff/camper participation, child abuse prevention, problem solving and conflict resolution, COVID-19 safety guidelines and policies, emergency policies and procedures.
- Become certified in basic First Aid and CPR (Head Counselors)

## CHESS

### Chess Wizards

#### Chess Wizards Staff

Chess Wizards has been teaching the game of chess since 2002! Join us this summer for tons of challenging chess lessons, exciting games, and cool prizes. You'll improve your chess skills, meet new friends, and work out your most powerful muscle - your brain! Our camps include fun team chess games (like Corner Chess), recess time (of course), snacks, tournaments, and puzzles. Each camper receives a T-shirt, trophy, and puzzle folder. We include all the materials necessary for your child to participate, but full day kids should bring a lunch. Unleash your brain power and spend part of your vacation with Chess Wizards!

## CREATIVE & PERFORMING ARTS

### Candy House

#### SkyRise Theater Staff

Musical parody about Hansel and Gretel! In just 5 short days, your child will strengthen their knowledge of all that is the performing arts. They will work as a team, and build their confidence on and off stage while having a blast! At the end of the week, they will perform a 35-minute musical for an audience with costumes, make-up and stage set up. On Monday morning, there will be auditions - then parts are cast. Nothing needs to be prepared for these auditions! Just be ready to move and have fun!

## ENRICHMENT & CAMP OPTION

Half-day enrichment program participants may join our Summer Day Camp for a full day of activities. Children will be escorted between programs by staff. Discount applied to the Summer Day Camp. Programs must be in the same week.

## NATURE

## All About Gardens

### *Mrs. Ariel Villa, Site Coordinator*

If your child loves sunshine, getting dirty, and eating delicious food, this camp is for them! We'll spend the week working our own garden plot; learning about friends and foes of the garden world; discussing the ins and outs of local and mainstream food systems and culture; how to work with and not against our local ecosystems; and how to cook and preserve our garden's bounties. All equipment is provided, and each camper will go home with their own set of ready-to-plant veggies suitable for any sized garden space.

## Global Heroes! Service Learning for Earth-Conscious Kids

*Mrs. Ariel Villa, Site Coordinator*

Many youth today are facing what some are calling "eco-anxiety", or "persistent worries about the future of Earth and the life it shelters." This 3 hours a day, 1 week class will focus on daily discussions of a different issue facing our world - Ocean Troubles, Food Security, Reduce/Reuse/Recycle Realities, and Our Impact on the Local Ecosystem. Each day we'll discuss a few base problems, and come together to talk about big and little solutions. We'll also hike in the local woods and take part in an off-site service project at a local non-profit. Your child will end the week feeling more aware and armed with actions they can take to help their homes and community remain happy and healthy places to live for many years to come!

## App Inventors

### *Circuit Lab Staff*

Want to know how the apps work on your phone or iPad? Or do you already have the next great app idea, and just need to know how to make it? In this no-experience-required course, we use MIT App Inventor software to make fun, creative apps for Android phones and tablets. We will also explore wireless communication by building custom Bluetooth hardware controllers and readouts for our apps. Participants will learn both the programming and design aspects of creating great apps, and have the opportunity to build apps of their own with the support of Circuit Lab instructors.

9:00am - 4:00pm (Full Day) \$467.00 (Full Day)

## Hands-On Electronics

### *Circuit Lab Staff*

Tinker with electronics while learning the basics of computer programming. We begin by experimenting with the fundamentals of electronics and circuitry, and step up to projects where our class of young makers will design their own interactive and programmable devices. Participants use the latest tools including Arduino (for building interactive devices) and Raspberry Pi (for learning about computers and coding) to experiment with LEDs, resistors, motors, and programming. Each class day gives participants the chance to design a hands-on project with the guidance of skilled Circuit Lab instructors.

Grades 4 - 6

## Jedi Engineering with LEGO®

### *Play-Well TEKnologies Staff*

The Force Awakens in this introductory engineering course for young Jedi! Explore engineering principles with LEGO® materials as we construct the Ewok Village on Endor, fly through space on our X-Wings, and defend the Echo Base on Hoth. Create motorized and architectural projects with imagination and engineering to defeat the Empire!

7/25 - 7/29 Min/Max: 10/25  
9:00am - 12:00pm \$180.00  
Grades KG - 2

# SUMMER ENRICHMENT

## Jedi Master Engineering with LEGO®

*Play-Well TEKnologies Staff*

The Force is strong in this advanced engineering course for young Jedi! Use the force and tens of thousands of LEGO® parts to raise your X-Wing from the Dagobah swamp, challenge the At-At walkers on Hoth, and fly the Millennium Falcon through the Kessel Run. Apply real-world concepts in physics, engineering, and architecture while you explore a galaxy far, far away.

7/25 - 7/29 Min/Max: 10/25  
1:00pm - 4:00pm \$180.00  
Grades 3 - 5

## Pokémon & Minecraft Adventures

*Snapology Staff*

A great combination of our Pokémon and Minecraft programs! Students will explore the Pokémon world and practice their Pokémon training skills! They will create their own training gyms, unique battles, and even their very own generation of Pokémon. Your student will also explore some real-world science as they examine the habitats, characteristics, and needs of different Pokémon. In addition, children will transition from the virtual 2D world of Minecraft to practicing their creativity and LEGO construction skills all based on the Minecraft themes they know and love.

8/8 - 8/12 Min/Max: 8/16  
9:00am - 12:00pm \$240.00  
Grades 1 - 3

## Robotics Extravaganza

*Snapology Staff*

In this Snapology robotics program, your student will begin to explore the world of robotics as they follow instructions to build various models utilizing LEGO® WeDo 2.0 that teach the fundamentals of robotic design. With a partner they will use sensors, build and utilize simple machines, explore the utility of gears and axles, and use coding on a tablet connected by Bluetooth to their robot. A great experience in engineering design and fun solving practical robotic challenges. Your student will be challenged in fun ways that will captivate their interest and grow their technical skills. Groups will be formed based on age and the builds will be selected from a combination of our RoboPets, Kinderbots, and Creature Creator programs.

7/11 - 7/15 Min/Max: 8/16  
9:00am - 12:00pm \$240.00  
Grades 1 - 3

## Rocket Science '22

*Wicked Cool for Kids Staff*

NEW Rocket Science '22 features the all-time favorite—customizable E2X model rocket. As an aerospace engineer, you choose the final design as we journey to the moon. Keep a Captain's Log as you investigate what's inside the rocky planets and gas giants. Map distant constellations, create glittering moon rocks, and make galaxy slime as part of your out-of-this-world lunar journey. Blast off with a solid fuel high flying launch at the end of the week (weather permitting).

**Make it a full day!** Stay for a full day to terraform a Mars colony and investigate how NASA's DART mission is learning to redirect Asteroids in space!

8/8 - 8/12 Grades 1 - 5  
Min/Max: 10/20

9:00am - 12:00pm (Half Day) \$334.00 (Half Day)  
9:00am - 4:00pm (Full Day) \$467.00 (Full Day)

## Scratch Programming

*Circuit Lab Staff*

Let's write some code! In this class, designed for computer programming beginners, we will use the Scratch programming language to create interactive stories, animations, and even custom computer games. Scratch was developed by MIT, and has a user-friendly interface that is fun and intuitive. Through their projects, participants will also develop logical thinking skills and an understanding of how computers work. No previous programming experience is necessary. At the end of the class, participants can keep copies of their programs to take home or continue developing in the online Scratch community.

8/1 - 8/5 Min/Max: 7/20  
1:00pm - 4:00pm \$220.00  
Grades 3 - 5

## STEAM Survivor

*Snapology Staff*

Are you ready for a challenge? Snapology's S.T.E.A.M. Survivor program will put your student's design, building, and critical thinking skills to the test! They will be given daily challenges for which they must design functional solutions with their teammate! They will earn Survivor Bucks when they perform well and be able to use those survivor bucks to purchase supplies or prizes throughout the camp. The goal of this program is to encourage our students to carefully work through the engineering design process to see how often they can design with a purpose.

7/11 - 7/15 Min/Max: 8/16  
1:00pm - 4:00pm \$240.00  
Grades 3 - 5

# S U M M E R E N R I C H M E N T

## STEM Explorations with LEGO®

### Play-Well TEKnologies Staff

Level up your engineering skills with Play-Well TEKnologies and tens of thousands of LEGO® parts! Apply real-world concepts in physics, engineering, and architecture through engineer-designed projects such as Gear Cars, Merry-Go-Rounds, and Tower Cranes. Design and build as never before and explore your craziest ideas.

6/27 - 7/1  
1:00pm - 4:00pm

## Wicked Cool Science

### Wicked Cool for Kids Staff

How did you do that? Solve awesome science mysteries by becoming a super science sleuth! Grow giant glowing cubes, discover crazy chemical reactions, make glow sticks glow brighter and delight your friends with magic fish. Make a DNA necklace with real DNA and harness the power of the sun. Use a chemical to create crazy "atomic worms" that glow.

**Make it a full day!** Stay for the full day and solve the amazing mystery of the color changing liquid and disappearing water using the power of science magic!

7/25 - 7/29

# REGISTRATION INFORMATION

## HOW TO REGISTER

Online registration at:

[www.WestboroughCommunityEd.com](http://www.WestboroughCommunityEd.com)

## REGISTRATION INFORMATION

By registering for programs with Westborough Community Education, you agree to the policies and procedures detailed in the Community Education Family Handbook. When registering for a program, please provide an email address that you frequently check. Email addresses will be used to send program information and will be added to our marketing email list\*.

\*If you do not wish to receive our marketing emails, please send an email to [WCEP@westboroughk12.org](mailto:WCEP@westboroughk12.org)

## GRADES

The grade listed is the grade your child will be entering in the Fall of 2022.

## REGISTRATION FEE

The annual registration fee is \$25.00 per family, per year. There is no registration fee for enrichment programs. Non-residents of Westborough are welcome to attend.

## PROGRAM REGISTRATION

Registration for all programs is on a first-come, first served basis.

- **SUMMER DAY CAMP** - Online registration must be completed along with a \$260.00 non-refundable deposit, per family. The deposit is deductible from the camp tuition. If you are registering multiple children, please complete one registration per child. *Full payment is due by June 1st, 2022. No child will be permitted to attend camp unless tuition has been paid in full.*
- **FIELD TRIP CAMP** - Online registration and full payment due at time of registration.
- **TEEN LEADERSHIP** - Online registration and full payment due at time of registration.
- **SUMMER ENRICHMENT PROGRAMS** - Online registration and full payment due at time of registration.

## PAYMENT POLICY

You become obligated to submit payment when you register for a program. Please pay via Tuition Express via your SchoolCareWorks Parent Portal. *Fees applicable to Tuition Express.*

## WAITLIST

Once a program has reached its maximum enrollment, we begin a waitlist for that specific program. If an opening becomes available, families will be contacted in the order in which they were added to the waitlist. Waitlists are monitored regularly.

## OUTSTANDING ACCOUNT BALANCE

Any outstanding balance owed to Westborough Community Education must be paid in full before a participant can attend any program run through Community Education.

## CAMP SCHEDULE ADJUSTMENTS

Adjustments to camp schedules can be made if there is availability that week. All requests for schedule adjustments must be made in writing via email to [WCEP@westboroughk12.org](mailto:WCEP@westboroughk12.org), require a two-week notice, and are not considered completed until confirmed in writing from the Community Education office.

## CAMP, FIELD TRIP, & TEEN LEADERSHIP CANCELLATIONS AND REFUNDS/CREDITS

Summer Day Camp cancellations must be made prior to **May 31st, 2022** to receive a full refund, minus the \$260.00 non-refundable deposit. Cancellation requests must be made in writing to [WCEP@westboroughk12.org](mailto:WCEP@westboroughk12.org) and are not considered completed until confirmed in writing by the Community Education office. There are no refunds/credits issued for any cancelled Teen Leadership Program or Field Trip Camp weeks.

If a participant is unable to attend the Summer Day Camp, Field Trip Camp, and/or Teen Leadership program prior to the start of the camp week due to a verifiable medical emergency (accompanied by a doctor's note), a credit will be issued. Credit requests must be submitted in writing to the Director of Community Education, Brian Bacon at [baconb@westboroughk12.org](mailto:baconb@westboroughk12.org).

## ENRICHMENT REGISTRATION DEADLINE

The registration deadline for any Community Education enrichment program is two-weeks before the start date of the program. Registrations will not be accepted after that date. Enrichment programs will only run if we have received the requisite number of minimum registrations.

## ENRICHMENT PROGRAM WITHDRAWALS AND REFUNDS

Due to the fact that Westborough Community Education is self-funded and the number of participants determines whether a program will run, no refunds are available for any program unless it is cancelled. Participants who arrive late, depart early, or miss days are not granted prorated tuition, refunds, or credits.

## PROGRAM CANCELLATIONS AND CHANGES

All programs are offered pending sufficient enrollment and are subject to cancellation at the discretion of Westborough Community Education. We reserve the right to cancel programs that are under enrolled, and to change the times, locations, and instructors when necessary.

## HEALTH RECORD

Each participant must have a health record, including immunizations, on file with the Westborough Community Education office. A copy of these records must be obtained from your child's physician and given to the Community Ed office two weeks prior to your child starting any summer program. The health record must be from within the past 18 months.

## LICENSING

Our summer programs are licensed by the Westborough Board of Health. All policies and procedures for the Summer Day Camp are on file with the Board of Health and are available upon request. Parents of campers have the right to review background check, health care, discipline policies and grievance procedures upon request of the Summer Day Camp. This camp must comply with the regulations of the Massachusetts Department of Public Health (140.190c) and be licensed by the local board of health. Additionally, we are recognized by the Commonwealth of Massachusetts Division of Unemployment Assistance as a Seasonal Employer for our summer programs.

*A full listing of our program policies and procedures can be found in the Westborough Community Education Family Handbook.*
