LIFE SKILLS

Home Alone Safety

Juanita Allen Kingsley

Take the first steps towards independence! In this course, we'll teach children the basics of being safe when home alone for short periods of time. We'll discuss internet safety, learn about accident prevention and fire safety protection, and we'll cover simple first aid techniques, including how to prevent and relieve choking and how to call 911. We'll watch an informational short video and explore home-alone scenarios through role playing.

REGISTRATION INFORMATION

HOW TO REGISTER

Register online at: www.WestboroughCommunityEd.com

REGISTRATION INFORMATION

By registering for programs with Westborough Community Education, you agree to the policies and procedures detailed in the WCEP Family Handbook. When registering for a program, please provide an email address that you frequently check. Email addresses will be used to send program information and will be added to our marketing email list. If you do not wish to receive our marketing emails, please send an email to WCEP@westboroughk12.org

REGISTRATION FEE

The annual registration fee is \$25.00 per family, per year. There is no registration fee for enrichment programs.

PAYMENT POLICY

You become obligated to make payment when you register for a program. Please pay via Tuition Express via your SchoolCareWorks Parent Portal. *Fees applicable to Tuition Express.*

PROGRAM REGISTRATION

Registration for all programs is on a first-come, first served basis.

EXTENDED DAY PROGRAM - Online registration for the Extended Day Program and all accompanying information must be completed yearly, and as changes occur, in order for your child to attend the Extended Day Program.

MONTHLY SCHEDULE - EDP monthly rates are calculated based on the number of operational days in the year and divided into 10 (ten) equal payments. Monthly rates include all Early Release Days that fall on your regularly scheduled days. EDP monthly tuition rates do not include school vacation weeks, holidays, and professional development days and a separate registration and program fee are required.

EDP monthly schedules are billed on the 20th of each month, for the following month. Payment is due by the 1st of the month. If payment is not received by the 10th of the month, your child will be removed from the program. Once all financial obligations have been met, your child may return to the program.

DROP-IN - The "Drop-in" option is available as a convenience to families who do not need a set monthly schedule, but rather use the Extended Day Program on an as-needed basis. Once registration is complete, families can sign into their family portal, select the "attendance" tile, and select the days for which care is needed.

Daily drop-in sign-up must be completed online, 24-hours prior to attending the program. Daily drop-in rates are \$25.00 (PM program) and \$9.50 (AM program). Program payment is due at checkout.

In order to maintain staff-to-student ratios, drop-in for a specific day may not be available if the program has reached the maximum enrollment for that day.

FULL DAY PROGRAMS – Full Day Programs require a separate registration and program fee and are not included in your EDP monthly tuition. Full Day Program cost is \$45.00, per child, per day. Once online registration is complete, the outstanding balance is applied to your account and payment can be submitted by logging into your account. Payment for Full Day Programs must be submitted 1-week before the program begins. Full Day Programs have a maximum enrollment in order to maintain staff-to-student ratios as well as order supplies. Registration closes once the program has reached the maximum capacity or one week before the program starts, whichever comes first, and we begin a waitlist.

ENRICHMENT PROGRAMS - Once online registration is complete, program payment is due at checkout.

WAITLIST

Once a program has reached its maximum enrollment, we begin a waitlist for that specific program. If an opening becomes available, families will be contacted in the order in which they were added to the waitlist. Waitlists are monitored regularly.

OUTSTANDING ACCOUNT BALANCE

Any outstanding balance owed to Westborough Community Education must be paid in full before a participant can attend any program run through Community Education.

ENRICHMENT REGISTRATION DEADLINE

The registration deadline for any Community Education enrichment program is two-weeks before the start date of the program. Registrations will not be accepted after that date. Enrichment programs will only run if we have received the requisite number of minimum registrations.

ENRICHMENT CLASS LOCATION

Enrichment classes will either meet in-person or via an online platform. Details can be found in the program description. Children can attend an after school enrichment program, regardless of the school they attend. However, please note there is NO transportation between schools and families are responsible for getting children to other schools. You will be sent appropriate links for online programs to the email address associated with your registration prior to the first class.

PROGRAM CANCELLATIONS AND CHANGES

All programs are offered pending sufficient enrollment and are subject to cancellation at the discretion of Westborough Community Education. We reserve the right to cancel programs that are under enrolled, and to change the times, locations, and instructors when necessary.

PROGRAM WITHDRAWALS AND REFUNDS

Due to the fact that Westborough Community Education is self-funded and the number of participants determines whether a program will run, no refunds are available for any program unless it is cancelled. Participants who arrive late, depart early, or miss days are not granted prorated tuition, refunds, or credits.

A full listing of our program policies and procedures can be found in the Westborough Community Education Family Handbook.
