FALL AFTER SCHOOL ENRICHMENT

ARMSTRONG

CRAFTY KIDS CLUB

EARLY RELEASE

WCE

What creative adventure will our craft club take? Paint, beads, textiles, clay, felt, paper, or another material? Students will unleash their creativity while creating colorful masterpieces, silly crafts, and one-of-a-kind creations. Let's get messy, creative, and have FUN!

FRIDAY, SEPTEMBER 18TH ● 12PM-3PM ● GRADES 2-3 ● $55

DEVELOPING ENGINEERS - MECHANICAL MASTERMINDS!

SNAPOLOGY

Is your student inquisitive, a problem-solver, a big-thinker, a tinkerer, a puzzler, or a budding engineer? This program gives your student the tools they need to understand mechanical movement through the foundations of simple machines, physics, and engineering design. They will see moving parts up-close as they follow instructions to build various machines, then use the models to develop new design ideas, test out physics concepts, and even play games with their partners and classmates!

WEDNESDAYS, 10/14-12/2 *(NO CLASS 11/11 & 11/25)* ● 3PM-4:15PM ● GRADES 1-3 ● $200

SEWING ADVENTURES

SEW STUDIO SOUTHBOROUGH

Each week, students will learn the basics of sewing while creating their very own handmade projects - like tote bags, stuffed animals, personal accessories - and take home everything they make! Students will build practical skills such as picking patterns, using a sewing machine (including safety!), and sewing by hand. *No experience necessary and all materials are provided!*

TUESDAYS, 10/13-11/24 *(NO CLASS 11/3)* ● 3PM-4:15PM ● GRADES 1-3 ● $240

KIDS COOL CHEMISTRY

WICKED COOL FOR KIDS

Be a cool chemist as we use primary colors to create a rainbow of slime, make amazing magnetized putty, and use the power of pH to make color changing solutions. Dig deep into a diaper to experiment with super absorbent polymers and create a classic mini volcano to erupt. Fun and colorful chemistry experiments every week!

THURSDAYS, 10/15-11/19 ● 3PM-4:05PM ● GRADES 1-3 ● $224

TOY FACTORY

EARLY RELEASE

WICKED COOL FOR KIDS

Take play to the next level as we make our own custom toys. Build a car launcher that shoots a race car across the room and have a race car derby! Make color-changing spinning tops, thaumatropes and amazing optical illusions. Science has never been so much fun!

FRIDAY, DECEMBER 4TH ● 12PM-3PM ● GRADES 1-3 ● $92

HASTINGS

GREEN THUMBS CLUB

MRS. EMMA NICOLAZZO

Get outside, get your hands dirty, and celebrate everything fall has to offer! Green Thumbs is an outdoor, hands-on club for those who love gardening, exploring nature, creating, and having fun outside. We'll harvest from our school garden, prepare the garden beds for the winter months, conduct seed investigations, and so much more! Please dress for the weather and for getting a little dirty - we plan to spend as much time outside as possible!

TUESDAYS, 9/29-10/27 ● 3PM-4:30PM ● GRADES 2-3 ● $165

LEGO CHALLENGES

RIGHT BRAIN CURRICULUM

In this fast-paced class, students design and build creative projects - like rescue vehicles, space missions, and imaginative scenes - while working individually or in teams to beat the clock. After each challenge, students share their creations and ideas with the group, building confidence and communication skills in a fun, low-pressure setting.

THURSDAYS, 10/8-11/12 ● 3PM-4:15PM ● GRADES 2-3 ● $192

WORK IT CIRCUITS

EARLY RELEASE

WICKED COOL FOR KIDS

Learn how electricity flows using the super cool *Snap Circuit System*. Work at building electronic projects that fly, buzz, light up and interact with the environment. Once you get the electron flow, build a cool and colorful light-up fiber optic circuit creature to take home.

FRIDAY, DECEMBER 4TH ● 11AM-2PM ● GRADES 4-6 ● $55

REGISTRATION INFORMATION: Register online at www.WestboroughCommunityEd.com. Your child is officially enrolled as soon as your payment is processed. WCE does not prorate tuition. Students may take classes at any school; however, WCE does not provide transportation. Confirmation emails with program details will be emailed the week before the program begins.

REGISTRATION DEADLINE: Enrichment program registration deadline is two-weeks before the start date of the program. Enrichment programs will only run if we have received the requisite number of minimum registrations.

WAITLIST: Most enrichment programs have a minimum enrollment of 8 and a maximum enrollment of 14. Once a program has reaches its maximum, we begin a waitlist. If an opening becomes available, families will be contacted in the order in which they were added to the waitlist. Waitlists are monitored regularly.

PROGRAM CANCELLATIONS AND CHANGES: All programs are offered pending sufficient enrollment and are subject to cancellation at the discretion of WCE. We reserve the right to cancel programs that are under enrolled, and to change the times, locations, and instructors when necessary.
