ROUTINES & POLICIES

IDENTIFICATION

No child will be released to an unfamiliar individual without a photo ID. Children will only be released to individuals listed as authorized pick-ups in their child’s file. If a person other than a parent is picking-up their child, the parent must provide a written note with the person’s name and contact number to the Community Education Office. The person picking-up must be prepared to show a valid picture ID.

INCLEMENT WEATHER CLOSINGS

The Extended Day Program will follow the Westborough Public School Department’s closing and delayed opening decisions.

- If school is closed due to weather related conditions, the Extended Day Program will be closed.
- If there is a delayed opening, Westborough Community Education will delay the start of morning EDP by the length of the delay.

- For example, if there is a 1 hour delayed opening, the Extended Day Program will begin at 8:00am rather than 7:00am.
- If school closes early because of inclement weather, please make arrangements to pick up your child from the Extended Day Program as soon as possible.

The decision to cancel after school enrichment classes due to inclement weather will be made by 11:00am the day of the class. No classes will be held if Westborough Public Schools are closed or have an early dismissal.

In the event of inclement weather during a Full Day Program or a Vacation Week Enrichment Program and the decision is made to cancel programs for that day, you will receive a credit on your account for the cost of that canceled day.

If unsuccessful, the staff will call emergency contacts to pick-up the child. If arrangements to pick-up your child have not been made by 6:30pm, the Site Coordinator may contact the Westborough Police.

Westborough Community Education is not responsible for any toys and/or electronics from home that may be lost or broken during program time. Cell phones should be turned off and kept in the child's backpack during program time.

LUNCH / SNACKS

Parents/guardians are responsible for supplying a snack and drink for their child(ren) attending the Extended Day Program, Full Day Programs, and Summer Programs, and lunch on Early Release Days, Full Day Programs, and Summer Programs. If a child arrives without lunch, the parent will be notified and be asked to either bring lunch to the program or pick up their child. Children have a snack each day. All students must bring in their own snacks from home.

Healthy snacks such as fruit, crackers and cheese, and vegetables are encouraged. (There may be restrictions on snacks if certain serious allergies are present in your child's program.) Note: Snacks and other foods consumed at school are addressed in the "District Wellness Policy" found on the district's website at www.westboroughk12.org under School Committee/District Policies, or click on the link to view District Wellness Policy.

FOOD POLICY

If food is going to be included in a Community Education run (EDP, Summer Camp) event, the Site Coordinator OR Camp Director will contact parents 7 days in advance of the event. This will allow a parent of a child with allergies ample time to provide an alternative special snack for their child. If a parent would like to supply food

for the celebration, the parent must contact the Site Coordinator OR Camp Director 10 days prior to the celebration day and the food must arrive with an affixed food ingredient label.

MANDATED REPORTING

All Westborough school personnel are mandated by the Commonwealth of Massachusetts to report child abuse/neglect to the Department of Children and Family Services. If there is reasonable cause to believe that a child under the age of 18 is suffering from neglect and/or serious physical, emotional, or sexual abuse, the incident of abuse/neglect will be reported to the Department of Children and Family Services within 24 hours of the incident. A written report will be submitted to the Department of Children and Family Services within 48 hours of the incident. Community Education personnel will also consult with the principal regarding the School District's specific policies on abuse/neglect and mandatory reporting procedures. In most cases, the school will notify Parents/Guardians that a report has been filed unless there are extenuating circumstances.

RESTRAINING ORDERS/CUSTODY ISSUES

In the event that a restraining order is obtained against a particular family member or individual, we ask that you notify Westborough Community Education and provide us with a copy of the order immediately. This gives us legal backing in order to protect your child. Without such paperwork, we cannot be held accountable. These documents will be kept confidential. *Do not assume that Community Education is aware of any information shared with the school office.*

PARENTS/GUARDIANS VISITOR/VOLUNTEER POLICY

The Department of Education requires all schools in Massachusetts to conduct criminal background checks on current and prospective employees and volunteers.

ABOUT THE EXTENDED DAY PROGRAM

The Westborough Community Education Extended Day Program is a before and after school program for Westborough Public School students in Kindergarten through sixth grade that provides a safe, nurturing, and welcoming environment for students to create and connect outside of school hours.

The Site Coordinators plan a variety of well-balanced, age-appropriate activities that extend the child's learning opportunities and foster appropriate interactions with peers and adults. A typical daily routine at the EDP includes snack time, group meeting, playground and/or gym time depending on the weather, homework/read aloud time, project time, and inside or outside unstructured opportunities at the end of each day.

DROP-OFF PROCEDURES

Students who attend AM EDP must be escorted into the building and signed-in to the program by an authorized adult and checked into the program with the appropriate Site Coordinator / Group Lead.

PICK-UP PROCEDURES

When a student is picked up from afternoon EDP, he/she must be signed-out of the program by an authorized adult. We require all parents/guardians to check their child(ren) out using our program's iPad and the "Guardian ID/Pin" found in your [SchoolCareWorks Family Account](#). Please contact the Community Education office with help accessing your PIN. This system is to ensure your child's safety, and that they are signed out immediately upon your arrival.

If a parent needs their child to be picked-up by a person who is not included on the Emergency Contact List, the parent must provide written or verbal authorization, including the person’s name and contact number, to the Site Coordinator and to the Westborough Community Education Program office, prior to pick-up.

ADDITIONAL ENRICHMENT PROGRAM INFORMATION AND POLICIES

ABOUT ENRICHMENT PROGRAMS

YOUTH ENRICHMENT PROGRAMS provide hands-on learning experiences for children to grow, explore, and discover new interests beyond the classroom. Program topics include cooking, creative and performing arts, nature, STEM, and sports and class sizes are kept small to ensure quality instruction in a safe and interactive manner. School year programs run weekly after school classes, while summer programs run weeklong, half- and full-day classes.

HIGH SCHOOL ENRICHMENT PROGRAMS offer college planning workshops for students and families in topics such as college admissions, financial aid, and test preparation. Westborough

Community Education also collaborates with Christo Driving School for High School Driver's Ed classes.

ADULT ENRICHMENT PROGRAMS offer classes in educational and recreational topics with the goal of presenting participants new ideas and experiences, nurturing their interests, and building connections with one another.

ENRICHMENT REGISTRATION DEADLINES

The registration deadline for enrichment programs is two-weeks before the start date of the class. Registrations will not be accepted after that date. Classes will only run if we have received the requisite number of minimum registrations.

AFTER SCHOOL PROGRAM LOCATION

Children can attend an after school enrichment program, regardless of the school they attend. However, there is **NO** transportation between schools and families are responsible for getting children to other schools. All online classes will meet via an online platform. For online programs, families will be sent appropriate links to the email address associated with their registration a few days before the program starts.

ENRICHMENT PROGRAM DROP-OFF AND PICK-UP PROCEDURES

For after school enrichment programs, children who attend the school where the enrichment program is held will be dismissed to the program right after school. Please inform your child's teacher AND school office that your child will be attending an enrichment program. Children who are attending from another school must be walked into the enrichment program location and signed in with the appropriate enrichment instructor. At the end of class, the instructors will bring children to the school's main entrance to be picked up by parents, guardians, or EDP staff. Children may go to EDP if they are scheduled for that day or have arranged for a drop-in.

For summer enrichment, instructors will be at the drop-off location 10 minutes before the start of the class, at which time drop-off begins. Please do not leave your child unattended at the drop off location before that time.

MAKE-UP CLASSES

All attempts will be made to reschedule classes that have been canceled due to inclement weather, instructor absence, or other unforeseen circumstances. Rescheduled classes will be made up at the end of the session. Classes missed due to participant absence cannot be made up.

ANTI-BULLYING POLICY FOR THE WESTBOROUGH PUBLIC SCHOOL COMMUNITY

The Westborough Public School System is committed to fostering and maintaining a safe and nurturing learning and work environment that encourages mutual respect, dignity and equality and is free from all forms of harassment, intimidation and bullying. Harassment, intimidation and bullying within the Westborough Public School community will not be tolerated and all complaints will be taken seriously and promptly investigated. The purpose of this policy is to prevent harassment, intimidation, and bullying between or among any members of the school community and to offer persons who believe they have been subject to it an efficient and effective means by which to end it. While any student could be subject to bullying, the District recognizes that certain students, may be more vulnerable to becoming a target of bullying or harassment based on actual or perceived differentiating characteristics, including race, color, religion, ancestry, national origin, sex, socioeconomic status, homelessness, academic status, gender identity or expression, physical appearance, pregnant or Parents/Guardians status, sexual orientation, mental, physical, developmental or sensory disability or by association with a person who has or is perceived to have 1 or more of these characteristics.

The Westborough Public Schools have taken specific steps to create a safe, supportive environment for vulnerable populations in the school community, and to provide all students with the skills, knowledge, and strategies to avoid and respond to bullying. Nothing in this policy shall prevent the Westborough Public Schools from responding to discrimination or harassment based on a person's membership in a legally protected category under local, state or federal law. The Westborough Public Schools has established separate discrimination and harassment policies that provide protection to specific categories and groups of students and staff. The policy can be found in the Elementary school student handbook.

INCLUSION

Community Education strives to be an inclusive environment for all students in the school community. While we do not offer therapeutic or special education services, we have many ways of welcoming and accommodating special needs students. We recognize that every student's needs are different, and circumstances will vary. This policy serves as a general guideline for parents and staff, and can be individualized.

Before starting, the parent must schedule an in-person meeting with a member of the administrative staff of Community Education at the Westborough High School office to determine if the program is a good fit for the student, and to discuss any adaptations or accommodations that will be needed. We will establish a 30-day trial period, and we will not collect tuition for additional months until it has been established that the student will remain in the program.

General expectations:

All students must be able to participate within the same group setting as the other students, with reasonable accommodations. They must be able to remain in the spaces designated for use by extended day or summer camp program. Specialized classrooms such as the ELC room, OT room, or break rooms are not available before and after school.

If a student receives support during the school day, we will discuss what type of adult support might be needed at extended day. If it's determined that adult support is needed for the student to safely and successfully participate, we will assign an aide to work with the student. The aide may be focused specifically on one student, or may be assisting several students, depending on student needs. The student's start date in the program is dependent on our ability to hire an appropriately qualified aide. The adult aide does not provide special education services, but focuses on student safety, peer interaction and developmentally appropriate participation in program activities.

Examples of typical accommodations made at extended day:

- Adapting projects, activities and games to the student's ability
- Allowing flexibility with student schedule and choices
- Facilitating social interactions with peers
- Using adaptive devices for communication
- Providing visual supports for daily schedules and activity choices
- Using tools to manage sensory stimulation such as headphones, comfort items, fidget toys, taking breaks

Possible reasons for Suspension or Expulsion:

- Student behavior regularly requires intervention from more than one adult
- Student frequently leaves the program area and can't easily be redirected to the group
- Student behavior is frequently a safety risk to themselves, other students, and/or staff
- The student isn't able to spend the majority of their time in the designated extended day spaces with other students
- A brief suspension may be necessary if a student is exhibiting unsafe behavior to allow us to develop a behavior modification or safety plan

Before removing a student from the program, we will take the following steps:

- Express our concerns to the parents/guardians and discuss other strategies that can be used to improve the situation
- Consult with school-day staff on strategies that have been helpful in other settings
- Involve the program director in decision making and communication
- Set a specific period of time and method to evaluate the success of adaptations before making a decision to permanently remove the student from the program

In accordance with the Westborough Community Education behavior management policy, these steps may be modified to adapt to a child or situation. Children may be immediately removed from Community Education programs, without adherence to the above steps if their behavior endangers their own safety or the safety of others in the program.
